Wireless N150 Compact USB 2.0 Adapter - WLI-UC-GNHP

WLI-UC-GNHP

Buffalo's Wireless N150 High Power Compact USB 2.0 Adapter offers a portable high-speed wireless connectivity to your Windows laptop or desktop through an available USB port. With faster wireless data rates and more coverage than legacy 802.11 products, WLI-UC-GNHP provides better performance than most PCs' internal wireless card. This wireless client offers sufficient bandwidth and range to stream video, voice, and music. Support for the AirStation One-Touch Secure System™ (AOSS™) allows you to set up a high-speed, secure wireless network within minutes.

Wirelessly connect to the internet
- Send Email
- Download Music
- Surf Web and more

USB Port
Add high-speed wireless connectivity through an available USB port on your laptop or desktop

BEST FOR: Home and Wireless Hotspots
